WINCHESTER SPECIAL COUNCIL MEETING

The Winchester City Council held a Special Meeting at 7:00 p.m. on May 30, 2017 at City Hall for the Approval of Windsor Homes Subdivision Plats and Plat of Survey. The following council members present were: Freddie Andrews, Lawrence Coultas, Steve Hoots, Bill Jacquot and Clerk Pro-tem Barb Hoots. City Clerk Brenda Robinson was absent as well as Aldermen Randy Fisher and Ron Bell.

Also in attendance were City Treasurer Amy Brown, City Attorney John Coonrod and Mike Niehaus, Winsdor Homes.

The meeting was called to order at 7:10 p.m. by Mayor Rex McIntire and he asked for a motion to appoint Barb Hoots, Clerk Pro-tem.

MOTION: Freddie Andrews moved and Lawrence Coultas seconded to appoint Barb Hoots, Clerk Pro-tem. Roll call resulted in three (3) yeas and one (1) abstention. Steve Hoots abstained. Motion carried.

Attorney John Coonrod informed the council that there were three (3) items to discuss and two (2) that needed council approval. Alderman Bill Jacquot questioned the agenda items to be discussed. He said that was not the agenda items that he was informed of being discussed. Other council members agreed. Attorney Coonrod had contacted Angie Doolin to make the change to the agenda on Thursday, May 25. The agenda was posted, but the revisions were not forwarded to the newspaper or council members. The consensus of the council felt like they could not take any action on items to approve, since they didn't feel like they had enough information regarding the items listed. Attorney Coonrod also noted that the newspaper should be notified of the agenda items before council action. It was decided to hold a Workshop prior to the regular council meeting on June 7, 2017.

The plats were available for the council to look at and Attorney John Coonrod said if the council had any questions that Mike Niehaus with Windsor Homes could answer those questions for them.

MOTION: Bill Jacquot moved and Steve Hoots seconded to adjourn the meeting. Roll call resulted in all yeas. Motion carried.
